

Machine Operator (m/f)

AKG North American Operations, Inc., Mebane, NC

Tradition and Innovation

Since 1919 the AKG Group is a specialist in the field of heat transfer. Our group of companies is financially sound, innovative and expanding. With about 2,800 employees at 12 locations in Europe, the Americas and Asia we develop and produce heat exchangers for a multitude of application areas and branches.

AKG North American Operations, Inc. is the production company of the US AKG Group, with two production sites in **Mebane, North Carolina**, and **Mitchell, South Dakota**. Cooling solutions for construction, forestry, agriculture, on-highway, compressor, material handling, industrial, off-highway, and mining markets are manufactured in these two factories.

Tasks and Responsibilities

- Program and operate the Cut-to-Length machine, for the purpose of cutting profiles to an appropriate length as specified in the work order instructions.
- Read and understand detailed work order instructions.
- Manually load the machine with aluminum profiles as indicated in the work order instructions.
